Scope

Cancer Research publishes original studies, reviews, and opinion pieces offering significance and broad impact to a diverse audience. *Cancer Research* seeks manuscripts that offer pathobiological and translational impact to inform the personal, clinical, and societal problems posed by cancer. The main scope of the Journal is captured in its primary subsections: Genome and Epigenome, Metabolism and Chemical Biology, Molecular Cell Biology, Tumor Biology and Immunology, Translational Science, Convergence and Technologies, and Population and Prevention Science.

Cancer Research is abstracted and/or indexed in Current Contents/Clinical Medicine, MEDLINE, Science Citation Index, Scopus, and Web of Science.

Submission of Manuscripts

Online submission of manuscripts is welcomed at http://can.msubmit.net. Before submitting a manuscript, please read the Instructions for Authors, which are available from the Journal's home page at http://cancerres.aacrjournals.org.

Publication Charges

Beginning with manuscripts submitted January 1, 2016 or after, articles will be published with the understanding that the author(s) will pay both a publication fee plus a color figure handling fee. Please see the Instructions for Authors, which are available from the Journal's home page at http://cancerres.aacrjournals.org.
