## AMERICAN ASSOCIATION FOR CANCER RESEARCH

CAN 001 Meet the Expert Sunrise Session: New Technology, \$11.50 Your Pathologist, and You. [Samuel M. Cohen] (One cassette)CAN 002 Joint AACR/ASCO Plenary Session:$\$ 23.00$ Molecular Approaches to Clinical Cancer (Two cassettes)
$\square$ CAN 003 Minisymposium Carcinogenesis 1: Oxidative DNA Damage $\$ 23.00$ (Two cassettes)CAN 004 Minisymposium Endocrinology 1: Growth Regulation $\$ 23.00$ of the Prostate (Two cassettes)
$\square$ CAN 005 Minisymposium Preclinical Pharmacology/Experimental
\$23.00 Therapeutics 1: Photodynamic Therapy, Hyperthermia, and Radiation Sensitizers (Two cassettes)
$\square$ CAN 006 The Fourteenth Richard and Hinda Rosenthal Foundation
$\mathbf{\$ 1 1 . 5 0}$ ward Lecture - Role of Chromosome Translocations in Human Cancer [Carlo M. Croce] (One cassette)

- CAN 007 Legislative Update
\$11.50 [Ernest F . Hollings] (One cassette)CAN 008 Plenary Session II: Endogenous Hormones and Cancer $\$ 23.00$ (Two cassettes)CAN 009 Minisymposium Biology IV: Cell Adhesion Proteins $\$ 34.50$ in Metastasis (Three cassettes)
$\square$ CAN 010 Minisymposium Clinical Investigations III: Identification $\$ 34.50$ of Cancer Susceptibility (Three cassettes)
$\square$ CAN 011 Minisymposium Immunology IV: Effects of Tumor \$34.50 Products on Immune Functions (Three cassettes)
$\square$ CAN 012 Plenary Session III: Epidermal Growth Factor (EGF) $\$ 23.00$ Receptors in Malignancy (Two cassettes)
$\square$ CAN 013 Ninth Cain Memorial Award Lecture: The Chemical and \$11.50 Biological Route from Podophyllotoxin Glucoside to Etoposide [Albert von Wartburg and Hartmann Srähelin] (One cassette)

| DISCOUNTS: |  |  |
| :---: | :---: | :---: |
| 1-5 tapes |  | \$11.50 Each |
| 6-11 tapes |  | 5\% Discount |
| 12-24 tapes |  | . 10\% Discount |
| 25-48 tapes |  | . 15\% Discount |
| 49 or more tapes |  | 20\% Discount |

CAN 014 Meet the Expert Sunrise Session: 3p Post-labeling $\$ 11.50$ for Detection of DNA Adducts [Kurt Randerath] (One cassette)

- CAN 015 Symposium I: Cancer Chemoprevention: Present and Future $\$ 23.00$ (Two cassettes)
- CAN 016 Symposium II: Recent Developments in Breast Cancer $\$ 23.00$ Research (Two cassettes)
$\square$ CAN 017 Symposium III: Human Tumor-associated Antigens: $\$ 23.00$ Molecular Profile and Clinical Applications (Two cassettes)
- CAN 018 Minisymposium Biology VII: Regulation and Function of $\$ 23.00$ Transforming Growth Factor-beta (Two cassettes)
- CAN 019 Minisymposium Clinical Investigations VII: Experimental \$23.00 Therapeutics III: Biologicals and Cytokines (Two cassettes)
$\square$ CAN 020 Minisymposium Preclinical Pharmacology/Experimental
$\$ 23.00$ Therapeutics X: Topoisomerases II and Their Inhibitors (Two cassettes)
$\square$ CAN 021 Thirtieth G.H.A. Clowes Memorial Award Lecture: Extracellular \$11.50 Matrix and Malignancy (Erkki Ruoslahti] (One cassette)
$\square$ CAN 022 Presidential Address: The Final Common Pathway of Cancer \$11.50 [Harris Busch] (One cassette)
- CAN 023 Symposium IV: Novel Molecular Events in the
$\$ 23.00$ Cell Cycle (Two cassettes)
$\square$ CAN 024 Symposium V: New Developments in Experimental \$23.00 and Human Pancreatic Cancer (Iwo cassettes)
$\square$ CAN 025 Symposium VI: Antisense Oligonucleotides $\$ 23.00$ as Regulators of Gene Expression (Two cassettes)
$\square$ CAN 026 Minisymposium Carcinogenesis X:
\$23.00 Detection of DNA Adducts (Two cassettes)
$\square$ CAN 027 Minisymposium Epidemiology I: Cancer Epidemiology I $\$ 23.00$ (Two cassettes)
$\square$ CAN 028 Minisymposium Preclinical Pharmacology/Experimental \$23.00 Therapeutics XV: Novel Antitumor Agents II (Two cassettes)
$\square$ CAN 029 Career Opportunities in Basic and Clinical $\$ 23.00$ Cancer Research (Two cassettes)
$\square$ CAN 030 Annual Business Meeting $\mathbf{\$ 1 1 . 5 0}$ (One cassette)
$\square$ CAN 031 Meet the Expert Sunrise Session: Techniques for $\mathbf{\$ 1 1 . 5 0}$ Site-directed Mutagenesis [John M. Essigmann] (One cassette)
$\square$ CAN 032 Symposium VII: Papillomaviruses and Human Cancer $\$ 23.00$ (Two cassettes)
$\square$ CAN 033 Symposium VIII: Extracellular Matrix Regulation $\$ 34.50$ of Growth and Gene Expression (Three cassettes)
$\square$ CAN 034 Symposium IX: Cytokines: Their Biology and Potential $\$ 23.00$ for Regulation (Two cassettes)
$\square$ CAN 035 Minisymposium Biochemistry IV: Role of Gene Expression $\$ 34.50$ in DNA Damage Processing (Three cassettes)
$\square$ CAN 036 Minisymposium Molecular Biology/Nirology V: \$23.00 Tumor Suppressor Genes II (Two cassettes)
$\square$ CAN 037 Minisymposium Preclinical Pharmacology/Experimental \$34.50 Therapeutics XX: Biochemical Pharmacology of Purine and Pyrimidine Analogues (Three cassettes)
$\square$ CAN 038 Ninth Rhoads Memorial Award Lecture: Molecular $\mathbf{\$ 1 1 . 5 0}$ Genetics of Steroid and Thyroid Hormone Receptors (Ronald M. Evans] (One cassette)
$\square$ CAN 039 Symposium X: Effects of Glucocorticoid Receptors on $\$ 23.00$ Cell Growth and Gene Expression (Two cassettes)
$\square$ CAN 040 Symposium XI: Metastasis: Genetic Mechanisms $\$ 23.00$ and Cytokine Signal Transduction (Two cassettes)
$\square$ CAN 041 Symposium XII: c-fos, c-jun, and Other $\$ 23.00$ Nuclear Binding Factors (Two cassettes)
$\square$ CAN 042 Minisymposium Carcinogenesis XIX: Chemoprevention: $\$ 34.50$ Results and Mechanisms (Three cassettes)CAN 043 Minisymposium Immunology XVI: Immunity to Melanomas \$34.50 (Three cassettes)
$\square$ CAN 044 Minisymposium Preclinical Pharmacology/Experimental \$34.50 Therapeutics XXIX: Drug Resistance VIII: Modulation of Resistance (Three cassettes)
$\square$ CAN 045 Symposium XIII: Endogenous versus Exogenous Factors \$34.50 as Major Cancer Risk Determinants (Three cassettes)
$\square$ CAN 046 Symposium XIV: Multidrug Resistance in the $\$ 23.00$ Laboratory and the Clinic (Two cassettes)CAN 047 Minisymposium Molecular BiologyNirology VIII: \$23.00 Oncogenes and Transcriptional Regulation II (Two cassettes)
$\square$ CAN 048 Minisymposium Biology XVII: Epidermal Growth Factor $\$ 34.50$ Family: Regulation and Tumor Growth (Three cassettes)
$\square$ CAN 049 Minisymposium Carcinogenesis XXI: ras Oncogenes \$34.50 (Three cassettes)
$\square$ CAN 050 Minisymposium Immunology XVIII: Anti-idiotypic $\$ 34.50$ and Chimeric Antibodies (Three cassettes)
$\square$ CAN 051 Address by Secretary of DHHS
\$11.50 [Louis Sullivan] (One cassette)

Each cassette is \$11.50. Programs may consist of one to three cassettes.

## INFORMATION ON APPLICATION FOR ACTIVE AND CORRESPONDING MEMBERSHIP

## BENEFITS OF MEMBERSHIP

The American Association for Cancer Research (AACR) is a scientific society consisting of laboratory and clinical cancer researchers. It was founded in 1907 "to bring together active investigators of the cancer problem for presentation and discussion of new or significant observations; and to foster research in cancer and other phenomena of growth." Members of the AACR enjoy the following benefits:

1. subscriptions to the journals Cancer Research and Cell Growth \& Differentiation at the reduced member rate;
2. the privilege of sponsoring an abstract for presentation at the AACR annual meeting;
3. an advance copy of the Program and Proceedings pertaining to each annual meeting
4. a reduced registration rate at all scientific meetings;
5. early notification of events in the AACR's series of special conferences;
6. subscriptions to any future AACR journals at reduced member rates
7. reduced rates for the AACR Employment Register;
8. the benefit of AACR's public education activities;
9. the receipt of AACR newsletters, meeting announcements, and an up-to-date membership directory.

## QUALIFICATIONS FOR MEMBERSHIP

Active membership in the AACR is open to investigators who live in the Americas, and who have conducted two years of meritorious research that has resulted in publications relevant to cancer. If a candidate is working in a research area not directly related to the cancer field but has conducted research of exceptional scientific merit, he or she may also qualify for membership.
Corresponding membership is open to qualified persons who are not residents of the Americas. The requirements for corresponding membership are the same as those for active membership. Visiting scientists from outside the Americas who intend to return to their countries of origin soon after submitting their applications should apply for corresponding membership. All other individuals should apply for active membership and transfer to corresponding status at a later date if they should leave the Americas.

## PROCEDURES FOR APPLICATION

There are three deadlines for receipt of a membership application: March 1, July 1, and October 1 of each year. The Membership Committee will review all complete applications for active membership that have been received by these deadlines and will submit recommendations on each candidate to the Board of Directors which formally elects all members. The same procedure is followed by the Special Memberships Committee which receives applications for corresponding membership. Candidates will be notified according to the following schedule:

Receipt of Application

| in AACR Office |  |
| :---: | :---: |
| March 1 | Notification of Candidate |
| July 1 | May |
| October 1 | September |
| December |  |

A complete application consists of the following material:

1. 6 copies of the form on the opposite side of this page, with all requested information provided.
2. 5 copies of the candidate's most current curriculum vitae and bibliography.
3. 5 copies of a letter of recommendation from a nominator who is an active, emeritus, or honorary member of the AACR (at least one copy must be a signed, original letter). This letter should describe the candidate's achievements in laboratory research, clinical investigations, or epidemiological research, and it should affirm that this research adheres to accepted ethical standards.-OR-The nominator may supply the responses requested at the bottom of the application form in the section entitled "STATEMENT OF SUPPORT" (at least one copy of the form must be the signed original).
4. 5 copies of a letter of recommendation as described in Item 3. above from a seconder who is an active, emeritus, or honorary member of the AACR (at least one copy must be a signed, original letter).-OR-The seconder may supply the responses requested at the bottom of the application form in the section entitled "STATEMENT OF SUPPORT" (at least one copy of the form must be the signed original).
5. 5 reprints of each of two publications on which the candidate appears as author.
All material should be collated into five complete sets with the original application form as a covering document and sent to the address given below. Questions regarding procedures for membership application may also be directed to the following address:

American Association for Cancer Research<br>Public Ledger Building<br>Suite 816<br>6th \& Chestnut Streets<br>Philadelphia, PA 19106<br>215/440-9300

## RESPONSIBILITIES OF MEMBERSHIP

Candidates should be aware of the following responsibilities of membership in the AACR. Active members must pay annual dues, a major portion of which is designated for a subscription to at least one of the AACR's publications. Newly elected members of the AACR who have already purchased subscriptions to Cancer Research or Cell Growth \& Differentiation at the higher, nonmember rate will receive reimbursement of the unused portion of those subscriptions once their first year's membership dues are paid in full.

All corresponding members elected after May 23, 1985, are required to pay an annual assessment in lieu of dues. This assessment, which is equivalent to that portion of the regular dues that pertains to support of activities other than publications, is imposed to defray the cost of sending AACR publications to members outside the Americas. Corresponding members may, if they wish, subscribe to Cancer Research or Cell Growth \& Differentiation at the reduced member rate.

Applicants elected in May will be responsible for payment of that year's dues; applicants elected in September and December will pay dues in the following year. Applicants elected in May and September will be eligible to sponsor an abstract for the next annual meeting. Every effort will be made to afford the same opportunity to applicants elected in December.

## Margaret Foti

Executive Director

6th \& Chestnut Streets
Philadelphia, PA 19106

## APPLICATION FOR MEMBERSHIP

CATEGORY OF MEMBERSHIP:
NAME OF CANDIDATE:
$\square$ Corresponding

DATE OF BIRTH:
PRESENT POSITION/TITLE:
INSTITUTIONAL AFFILIATION:
INSTITUTIONAL ADDRESSS:

ACADEMIC DEGREES (Including where and when granted)

EXPERIENCE SINCE HIGHEST DEGREE WAS GRANTED (Please list most recent first)

PUBLICATIONS (Reprints of two articles on which the candidate appears as an author must accompany this application. For these two articles list the authors, title, journal, volume, inclusive pages, and year. Do not submit abstracts.)
$\qquad$ CANDIDATE SECONDED BY: $\qquad$
STATEMENT OF SUPPORT (in place of letters of recommendation) Instead of submitting letters of recommendation, either the nominator or the seconder or both may complete the following section:

How long has the candidate worked in the field of cancer research? $\qquad$ years
Will the candidate make a long-term contribution to cancer research? $\qquad$ Yes $\qquad$ No
Does the candidate's research adhere to accepted ethical standards? Yes $\qquad$ No
I therefore recommend this candidate for membership in the American Association for Cancer Research.

How long has the candidate worked in the field of cancer research? $\qquad$ years
Will the candidate make a long-term contribution to cancer research? $\qquad$ Yes $\qquad$

## Signature of nominator *

Date
See Guidelines for Application on the reverse side of this form for further instructions.

- Nominators must be active, emeritus, or honorary members of the AACR.

## AMERICAN ASSOCIATION FOR CANCER RESEARCH

## GUIDELINES FOR APPLICATION FOR ASSOCIATE MEMBERSHIP

## QUALIFICATIONS FOR MEMBERSHIP

Associate membership is open to graduate students. medical students. postdoctoral fellows. and physicians in training who live in the Americasand who are following a course of study or who are working in a research program relevant to cancer.

## BENEFITS OF MEMBERSHIP

The American Association for Cancer Research (AACR), a scientific society consisting of laboratory and clinical cancer researchers, was founded in 1907 "to bring together active investigators of the cancer problem for presentation and discussion of new or significant observations; and to foster research in cancer and other phenomena of growth." Associate members of the AACR enjoy the following benefits:

1. the privilege of sponsoring an abstract for presentation at the AACR annual meeting provided that (a) the associate member is the presenter of the abstract and (b) an active member in good standing of the AACR also signs the abstract in support of the work (In this instance, the active member who cosigns the abstract does not lose his or her own sponsorship privilege.);
2. an advance copy of the Program and (if one has been purchased by the associate member) the Proceedings of the American Association for Cancer Research which contains abstracts of all papers being presented at each annual meeting;
3. the privilege of registering for the annual meeting at the low student rate (This rate is otherwise available only to predoctoral students.);
4. preferred access to the AACR Employment Register;
5. an optional subscription to the journal Cancer Research at the reduced member rate;
6. subscriptions to any future AACR journals at reduced member rates;
7. early notification of events in the AACR's new series of small scientific meetings on timely scientific topics;
8. the receipt of AACR newsletters, meeting announcements, and an up-to-date membership directory; and
9. the facilitation of informal scientific exchange with leading researchers in the cancer field.

## PROCEDURES FOR APPLICATION

Persons wishing to apply for associate membership must use the official application form on the reverse side of these instructions. Each candidate for associate membership must be nominated by an active member in good standing of the AACR. Three completed copies of the form should be submitted; at least one of these copies must carry the original signatures of both the candidate and the active member nominator. The application form may be submitted
to the Association Office at any time. After review of applications for associate membership, the Executive Director will notify candidates of their election or deferral within one month of the receipt of the application form. A check in the amount of $\$ 20$, which represents one year's dues payment, must accompany the application. This fee will be refunded to any candidate deemed to be ineligible for associate membership. Checks should be in U.S. currency, made payable to AACR, Inc., and drawn on a U.S. bank. Send the three copies of the application form and the $\$ 20$ dues payment to:

American Association for Cancer Research Public Ledger Building<br>Suite 816 6th \& Chestnut Streets Philadelphia, PA 19106<br>215/440-9300

## RESPONSIBILITIES OF MEMBERSHIP

Associate members must pay annual dues in an amount to be determined by the AACR Board of Directors. Dues for 1989 have been set at \$20 per year. If an application is submitted by August 31, the accompanying dues payment will be credited to the current year. Candidates submitting applications between September 1 and December 31 may indicate whether they wish their dues payments credited to the current or forthcoming year. Candidates should be aware, however, that associate members may sponsor an abstract for the annual meeting only if their dues for the current year are paid. For example, an associate member submitting an abstract in December 1989 for the forthcoming annual meeting must have paid dues for 1989. Any newly elected associate members of AACR who have already purchased subscriptions to Cancer Research at the higher, nonmember rate will receive a refund for the unused portion of that subscription upon receipt of their payment for a member's subscription.

Each Fall the AACR will send to current associate members an invoice for dues for the forthcoming year. Payment of this invoice must be accompanied by a statement signed by the associate member's registrar, dean, or department head, verifying the member's current academic status. The Association's By-Laws state that dues are payable for each year in advance on or before January 1 of that year. An individual may be an associate member for a maximum of five years. Each year in which an individual pays dues will count as one full year of associate membership. Thus, an associate member who pays dues for 1989 may retain associate membership until December 31, 1993. The Board of Directors may terminate the membership of any associate member whose dues are in arrears for two years.

INSTITUTIONAL ADDRESS:

(Please specify)
ACADEMIC DEGREES (Please indicate degree(s) acquired to date along with the name of the academic institution and date of receipt. Provide information on degree currently being sought and the anticipated date of completion of this degree program.)
$\qquad$
RELEVANTRESEARCHEXPERIENCENOTRELATEDTOCOURSE WORK (Pleaselist mostrecent first.)

PUBLICATIONS (List the authors, title, journal, volume, inclusive pages, and year of any article in a peer-reviewed journal on which the candidate appears as an author. Do not list abstracts. Continue on a separate sheet, if necessary.)

## CANDIDATE NOMINATED BY:

(Please type or print name of AACR active member in good standing.)

## SIGNATURES

I hereby apply for associate membership in the American Association for Cancer Research. I have read the instructions on the reverse side of this form, and I understand the privileges and responsibilities of this class of membership. I certify that the statements on this application are true.
Signature of Candidate: __ Date:
I recommend this candidate for associate membership in the American Association for Cancer Research. To the best of my knowledge, the candidate is qualified for this class of membership, and the statements on this application are true.

Signature of Nominator: $\qquad$ Date:

Submit three copies of this form. At least one copy must contain the original signatures of the candidate and the nominator. Enclose a check for $\$ 20$ in U.S. funds made payable to AACR, Inc. and drawn on a U.S. bank. Check one of the following boxes only if this form is being submitted between September 1 and December 31:
The enclosed dues payment should be applied to the
$\square$ current $\square$ forthcoming calendar year.
(NOTE: If dues are applied to the forthcoming year, membership will take effect on January 1.) See Guidelines for Application on the reverse side of this form for further instructions.
